All projectors purchased under this program now come with Epson's Extra Care Road Service (EXCHANGE) Limited Warranty for three (3) full years. This offers a level of support unsurpassed in the industry—it's easy, fast, and free. No other projector manufacturer offers 3 years of Limited Warranty including Road Service on all of its education projector products. This 3-year limited warranty program provides a replacement projector anywhere in the United States in the event of a failure AND shipping is always on us, both ways. Now you not only get the benefits of Epson's superior LCD technology but you also get the best support as well! Document camera warranty coverage under this program varies: DC-06 comes with 2 years of replacement coverage; DC-11 comes with 3 years of replacement coverage. More information on this program is available through your authorized Brighter Futures Epson reseller or your Epson Commercial Account Manager. Product prices and specifications subject to change without notice.
