* Light resistance rating based on accelerated testing of prints displayed indoors, under glass. Actual print stability will vary according to image, display conditions, light intensity, paper, humidity and atmospheric conditions. Ratings based on ink only; some papers may discolor over time. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or lamination or properly store them.

** Pages per minute based on text memo in Economy Mode on plain paper. Additional processing time may vary based on system configuration, software application and page complexity.
