

**EPSON**

COLOR SCANNER

**PERFECTION 1660 PHOTO**

## Precision performance at powerful speeds.

Speed through the most challenging scanning applications without sacrificing image quality or the bottom line! The EPSON Perfection® 1660 PHOTO offers an unbelievable value with its 1600 x 3200 dpi resolution, 48-bit color depth, fast USB connectivity, and automated 4-button scanning. EPSON Smart Panel™ software and a built-in 35mm film strip adapter provide additional versatility.

### Key Features

#### 1600 x 3200 dpi resolution

Offers remarkable image quality and razor sharp detail

#### Built-in 35mm film strip adapter

Provides added versatility for scanning slides and film strips with up to six negatives per strip

#### True 48-bit scans for remarkable color accuracy

Delivers a vast array of vivid, true-to-life colors

#### Automated 4-button scanning

Scans images to a scan-to-copy utility, Epson's photo-sharing web site and most e-mail software programs

#### Optional 4" x 5" transparency unit

Facilitates quick, easy scans of larger negatives and transparencies

#### USB connectivity (including USB 2.0 for Windows XP and 2000)

Features convenient compatibility with most Windows® or Macintosh® systems
