Combining speed and reliability for maximum productivity

With speeds up to 1550 cps and an MTBF rating of 20,000 power-on hours (POH), the Epson DFX-9000 offers the power and durability to tackle the most demanding print tasks. Day after day, you can count on it to efficiently process everything from reports and 10-part forms to shipping documents or mailing labels.

A robust, dependable workhorse, this 9-pin, wide-format printer boasts a 400-million-character print head life and 15-million-character ribbon cartridge, which minimizes production costs and reduces the need for frequent user intervention. Its advanced paper handling capabilities make it the perfect solution for a wide variety of applications, including critical spreadsheets, checks, invoices, bar codes and more.

Featuring two standard paper paths, the DFX-9000 easily switches between multiple applications. Its intelligent paper sensor detects the paper width and thickness, adjusting automatically for optimum performance and high-quality results. It even features an automatic jam sensor to prevent wasting forms in the unlikely event of a paper jam.

With Parallel, Serial, and USB interfaces standard, plus a Type-B slot for optional connectivity, the DFX-9000 easily attaches to new or legacy systems in standalone or networked environments. And, its convenient LCD display and intuitive menu selections mean setup has never been easier. Plus, it’s all backed by Epson’s one-year on-site warranty for superior service and support.

Key Features

- Blaze through critical reports with ultra-fast print speeds
- Prints multipart forms, labels, and more at speeds up to 1550 cps
- Tackle the most demanding print tasks
- Durable 9-pin performer offers an MTBF rating of 20,000 POH at 25% duty cycle
- Get dependable print performance, day after day
- Boasts a 400-million-character print head life
- Minimize your application costs
- 15-million-character ribbon cartridge ensures low cost printing and reduces the need for frequent user intervention
- Simplify the integration process
- Convenient LCD display allows for easy printer configuration and menu navigation
- Meet all your printing needs with flexible forms handling capabilities
- Prints 136-column, wide-format reports, plus forms up to 10 parts thick
- Front and rear paper paths
- Platen gap adjusts automatically, according to the paper thickness
- Auto jam sensor eliminates wasting forms
- Use with new or legacy systems
- Enhanced connectivity supports standard Parallel, Serial, and USB interfaces
- Accommodates optional internal Type-B interface boards for easy networking
- Enjoy the added confidence of superior Epson service and support
- Includes a one-year on-site limited warranty in the U.S. and Canada

EPSON DFX-9000
Printing Method
9-pin impact dot matrix

Print Direction
Text Mode: Bidirectional
Graphics Mode: Unidirectional (bidirectional via software)

Print Speed
High Speed Draft 1550 cps (10 cpi)
Draft 1320 cps (10 cpi)
Near Letter Quality 330 cps (10 cpi)

Character Sets
11 character tables, 13 international character sets

Resident Fonts (cpi)
Epson Super Draft 10
Epson Draft 10, 12
Epson NLQ Roman 10, 12, proportional
Epson NLQ Sans Serif 10, 12, proportional

Bar Code Fonts

Printable Columns
136 columns (10 cpi)

Formatting
Tabs 10 sets vertical tabs, 32 horizontal tabs
Line spacing 1/8", 1/6", 1/4", 1/3", 1/2", or 3/4"; programmable

Paper Feed Speed
Approximately 26.5 ms/line at 1/6" line spacing; 15 inches per second (continuous feed)

Paper Path
Push tractor Front or rear in, top out
Pull tractor Front or rear in, top out

Paper Feed Methods
Dual push tractors/paper paths: automatic back-out and loading; automatic paper thickness adjustment; automatic paper width detection; microadjustment for top-of-form and tear-off modes; adjustable tractor feed; perforation cutter (optional); pull tractor (optional)

Input Buffer
128KB or 0KB, user selectable

Software Drivers
Windows 95, 98, 98SE, 2000, XP, Me and NT 3.51/4.0

Standard Interfaces
Bidirectional IEEE 1284 Parallel
USB 1.1, RS-232 Serial

Optional Interfaces
10/100 Base-T Ethernet, RS-232 Serial, Canon, Tektronix

Printer Languages
ESC/P, IBM PPDS

Paper Handling
Multi-part Forms
Front 1 original + 9 copies
Rear 1 original + 6 copies
Continuous Feed
3.0" to 16.5"

Bar Code Fonts

Sound Level
58 dB (A)

Power Requirements
50 - 60Hz ± 0.5Hz; 200 watts; 100-240 volt

Energy Star compliant

Physical Dimensions
Height 14.3"
Width 27.6"
Depth 14.9"

Weight 75 lb

Warranty
One-year on-site limited warranty in the U.S. and Canada

Support-The Epson Connection

SM
Automated Technical Support (800) 922-8911
Pre-Sales Support U.S. & Canada (800) 463-7766
