View movies without any annoying black “letterbox” bars at the top and bottom of the screen with the Panamorph Anamorphic Lens Kit offered by Epson and manufactured by Panamorph. Enjoy your favorite blockbuster hits in full-screen size without distortion — just as the film directors intended. Fully motorized and remote-controlled, this precision anamorphic lens converts 16:9 projected images to a full 2.35:1 widescreen aspect ratio.

The kit installs in front of the Epson PowerLite Pro Cinema 7500 UB projector and includes a connection plate.

- Converts 16:9 projected images to a cinema style 2.35:1 aspect ratio, eliminating black bars
- Ensures exceptional image quality using a patented, five element, all glass, fully multicoated, optical design, corrected for chromatic aberration and astigmatism
- Easily view multiple movie formats with the ultra smooth, accurate lens positioning, IR remote control
## Panamorph Anamorphic Lens Kit for the Epson PowerLite Pro Cinema 7500 UB

### SPECIFICATIONS

#### LENS
- Black aluminum, molded plastic casing with included black aluminum bracket
- Total weight with bracket — approximately 8.5 lb (3.8 kg)
- Large entrance aperture — 3.1" x 3.1" (4.3" diagonal)
- Patented high performance optical design
- Dimensions without bracket — approximately 5.4" x 7.6" x 5" (W x D x H)
- Weight — 9 lb

#### MOTORIZED MOUNT
- Stepper motor with optimized motor control system
- Ultra smooth acceleration and deceleration ramps
- Two selectable operation speeds
- Repeatability accuracy within 0.0005"
- Adjustment mechanism for fine tuning the lens
- Optical safety limit switches
- Ultra low current — 500 mA (standard operation mode)
- Internal error detection and limit switch monitoring
- LED status indicators
- IR remote control
- 12 V input trigger for direct control of the projector or scalar
- 12 V external output trigger for interfacing with screen masking systems
- Configurable LENS IN function — for the left- or right-hand side; works at the touch of a button
- Slow speed position recovery feature for power failures or lens track obstructions
- Easy to own — no maintenance or lubrication required
- Stress-tested design made to withstand over 2,000,000 trips
- UL, CE, Energy Star, CEC Level IV and RoHS certified
- Dimensions — 19.7" x 3" x 3" (W x D x H)
- Weight — 5.5 lb

#### MOUNTING PLATE AND CHIEF RPA MOUNT HEAD
- Includes connection plate and RPA mount head to attach lens to an Epson PowerLite Pro Cinema 7500 UB for ceiling installation.
- Mounting plate dimensions — 19.5" x 13" x 3/16"
- Mounting plate weight — 10 lb
- RPA mount head dimensions — 6.25" x 5" x 5" x 1.75"
- RPA mount head weight — 2 lb

#### PACKAGING DIMENSIONS AND WEIGHT (W X D X H)
- Dimensions — 24" x 18" x 10"
- Total shipping weight — 33 lb

#### PRODUCT PART NUMBER
- Product code — ELPALK2
- UPC code — 0-10343-87362-9

#### WARRANTY
- 2-year manufacturer’s limited warranty from Panamorph
