Materials Suggested:

(Not all are required) For printing: From Avery: Avery® Clear Sticker Paper (SKU #4383, #53203), Avery Printable Tags (SKU #53215), go to Avery.com to order. For Epson: PremierArt™ Matte Scrapbook Photo Paper for Epson (letter or 12" x 12"), Epson Matte Paper Heavyweight (letter) or Epson Double-Sided Matte Paper (letter), Epson Photo Quality Ink Jet Paper (letter) or Epson Premium Bright White Paper, and an Epson Printer.

Wedding Invitations:

To create and print one of two wedding invitation designs (tan or floral), select the Microsoft® Word template and download. The document is 8½" x 11" (letter-sized) landscape format. There are 2 invitations per sheet.

Step 1: Open the desired wedding invitation design template in Microsoft® Word.

Step 2: Type your wedding information in the space provided. You may change the font style and color if you wish. Your personalizing is complete!

Step 3: Select letter size paper, landscape format to print in the print driver. After you click "Print", click on "Yes" to continue printing even though the margins are set outside the printable area of the page. The printer will adjust to fill the size you have selected.

Step 4: Trim with a craft knife and embellish with ribbon or traditional embellishments if desired.

Wedding Invitation Envelopes:

To create and print one of two wedding invitation envelope designs (tan or floral), select the Microsoft® Word template and download. The document is 12" x 12" and prints one envelope per sheet. Select the 12" x 12" paper size in the print driver. You will need a wide format printer such as the Epson Stylus Photo 1280, 2200, R1800 (for 12" x 12" edge-to-edge printing), and 12" x 12" PremierArt™ Matte Scrapbook Photo Paper for Epson.

Step 1: Open the desired wedding invitation envelope design template in Microsoft® Word.

Step 2: Address your envelope in the spaces provided. You may change the font style and color if you wish.

Step 3: Your personalizing is complete! After you click "Print", click on "Yes" to continue printing even though the margins are set outside the printable area of the page. The printer will adjust to fill the size you have selected. Remember to choose the correct paper type setting in your printer driver.

Step 4: Trim your envelope with a craft knife on the solid die lines and fold on the dotted die lines. Use your favorite adhesive to glue the envelope together.

Step 4: Embellish with Avery® Clear Sticker Project Paper.
