Show you care with a thoughtful gift of elegant, personalized note cards and envelopes.

Create beautiful custom note cards as a thoughtful gift for teachers, a holiday hostess, neighbors or anyone that you appreciate during the holiday season or throughout the year. Add a personal message or monogram and print several of each design. Pair them with standard note size envelopes, and you have a truly unique gift that will be as useful as it is beautiful. Download the templates FREE here at EpsonCreativeZone.com and you'll have a quick and easy solution for the perfect gift.

Materials Suggested:

(Not all are required) For printing: Epson Double-Sided Matte Paper (letter) and an Epson Stylus Photo Printer.

Signs of the Seasons Note Cards:

Use these unique note cards that highlight Winter, Spring, Summer and Fall for personalized gifts or as individual greeting cards.

Personalized Note Cards:

Step 1: Click on the selected files to open as .jpgs, or import into your preferred program. The cards are created to fit 2-up on an 8 1/2" x 11".

Step 2: Personalize your card with a monogram or a personal message. Use the project photo as a guide.

Step 4: Your personalizing is complete! Print the front of the card. Remember to choose the correct paper size and paper type setting in your printer driver. Turn the page over and print the inside if you have added a custom message.

Step 5: Trim the cards along the solid line with a craft knife, and fold in half.

Step 6: Embellish your cards if desired. Select standard note sized envelopes in a coordinating color and combine with the cards. Tie the cards and envelopes with a ribbon and add a gift tag for the perfect gift that will be much appreciated!
