Materials Suggested:

(Not all are required) For printing: Epson Matte Paper Heavyweight (letter) or Epson Double-Sided Matte Paper (letter), Epson Photo Quality Self Adhesive Sheets, one or several packages of store-bought noisemakers, and an Epson Stylus Photo Printer.

New Year's-Themed Invitation:

Step 1: Click on the invitation background to open as a .jpg. Print your page. Remember to choose the correct paper size and paper type setting in your printer driver. Cut in half. The invitation background is created to fit 2-up on an 8 1/2" x 11".

NOTE: You can trim the bottom of the background paper with decorated edge scissors to add to the design.

Step 2: Click on the invitation top page to open as a .jpg, or import into your preferred layout or photo editing program. The invitation top is created to fit 2-up on an 8 1/2" x 11".

Step 3: Add text. Personalize your invitations by typing your party information. Use the project photo as a guide for your invitations.

Step 4: Your personalizing is complete! Print your pages. Remember to choose the correct paper size and paper type setting in your printer driver and trim along the edge of the design.

Step 5: Add ribbon between the top and bottom parts of the invitation and attach with a brad. Add additional embellishments to your invitations if desired. Use a standard envelope for mailing.

Pyramid Party Favors:

Step 1: Click on the selected files to open as a .jpg, or import into your preferred program. The favors are created to fit 1-up on an 8 1/2" x 11".

Step 2: If you're using a digital photo, import it now, and crop or size to fit on favor.

Step 3: Personalize your favor with a holiday message. Use the project photo as a guide.

Step 4: Your personalizing is complete! Print the party favor. Remember to choose the correct paper size and paper type setting in your printer driver.

Step 5: Trim the pyramid along the solid line with a craft knife, and fold along the dotted lines. Punch a hole at top of each triangle if you're adding ribbon. Paste along the flaps and stick together.

Step 6: Embellish your favors if desired, and tie with ribbon at top.

Party Noisemaker:

Step 1: Click on the selected files to open as .jpgs, or import into your preferred program. The "inside" can be copied and pasted to print several up on an 8 1/2" x 11". The noisemaker label is created to fit 4-up on an 8 1/2" x 11".

Step 2: On the inside strip, type your message, and create as many noisemaker strips as you would like to print.

Step 3: Print the inside on Epson Photo Quality Self Adhesive Sheets. Remember to choose the correct paper size and paper type setting in your printer driver.

Step 4: Trim the strips and adhere to the inside of store-bought noisemakers. Use the project photo as a guide. Carefully roll them back up.

Step 5: On the label, type your message, and print on Epson Matte Paper Heavyweight (letter) or Epson Double-Sided Matte Paper (letter). Remember to choose the correct paper size and paper type setting in your printer driver.

Step 7: Trim along the white lines, and attach to the blower end of store-bought noisemakers. Use the project photo as a guide. Embellish with ribbon if desired.
