

Print Lab #27

Greetings with Graphics!

Send personalized greetings to your family and friends without ever leaving the house! Everyone will feel extra special when they receive your card printed with an image of someone they know and love! Epson Glossy Photo Greeting Cards truly highlight your photo by giving you borderless, professional results.

Materials Suggested:

(Not all are required) For printing: Epson Glossy Photo Greeting Cards, Epson Photo Stickers Kit or Epson Photo Stickers Refills, and an Epson Stylus Color Printer.

For the digital photos: an Epson Scanner and/or an Epson Digital Camera.

*If you do not have a scanner or a digital camera, you can use personal photos from a CD, sample photos or graphics provided in your creative software programs or visit the Epson Print Lab image gallery for a variety of downloadable images!

Procedure: Step 1: Go to your favorite photo downloading site, use your own photos from your digital camera or develop your photos onto a CD. **Step 2:** Download Greeting Card templates. **Step 3:** Add desired text and photos to the templates. **Step 4:** Print on Epson Glossy Photo Greeting Cards. (Be sure to read the printing tips in the package to get the best quality printouts.) **Step 5:** Print Epson Photo Stickers for envelope seals or for the inside of the card to add extra decoration.

Photo Stickers: Step 1: Load Photo Stickers Software onto your computer (software is included in Photo Stickers-Kit), or use Film Factory. **Step 2:** Choose a photo that crops in closely to the subject, or use your favorite creative software program to crop the photo. **Step 3:** Print on Epson Photo Stickers Kit or Epson Photo Stickers Refills and use as an envelope seal or as added decoration to your stationery.

Results: A one-of-a-kind creation with the professional look and feel of a store-bought card!
