### Materials Suggested:

**(Not all are required) For printing:** Epson Matte Paper Heavyweight (letter) or Epson Double-Sided Matte Paper (letter), Epson Photo Quality Ink Jet Paper (letter) or Epson Premium Bright White Paper, and an Epson Stylus Color Printer.

**For the digital photos:** an Epson Scanner and/or an Epson Digital Camera.

If you do not have a scanner or a digital camera, you can use personal photos from a CD, sample photos or graphics provided in your creative software programs or visit the Epson Print Lab image gallery for a variety of downloadable images!

**Procedure: Step 1:** Download *Holiday Table Settings* templates. **Step 2:** Add desired text to templates.

**Place Cards/Buffer Labels:** Print on Epson Matte Paper Heavyweight (letter) or Epson Double-Sided Matte Paper (letter). (Be sure to follow the printing tips in the package to get the best quality printouts.) Use scissors to trim the cards and a craft knife to create die-cut tops. Fold down the center using a scoring tool and the die-cut edge will pop up.

**Napkin Rings:** Print on Epson Photo Quality Ink Jet Paper (letter) or Epson Premium Bright White Paper. Use scissors to trim. Make cuts on the white lines at each end of the strip. Wrap each segment around a napkin and secure by sliding one end into the other. No tape or glue is necessary.

**Wine Glass Tags:** Print on Epson Matte Paper Heavyweight (letter) or Epson Double-Sided Matte Paper (letter). Use scissors to trim. Slice rings on white vertical line to cut out center circle. Have guests write their names in white box to identify their wine glass.

**Candle Drip Coasters:** Print on Epson Matte Paper Heavyweight (letter) or Epson Double-Sided Matte Paper (letter). Use scissors to trim. Place under candles to create a beautiful centerpiece that coordinates to the rest of the table design and also keeps wax from dripping on the table!

**Results:** Personalized holiday table decorations to make your next holiday even more memorable!
